The contingent grant for the current year is also Rs 264/-

As the supply of the labour has been discontinued at the request of the Supdt himself (since convict labour has been charged for at 2as per day ~~for~~ for each prisoner), the question of reducing the contingent grant of the Press to the original amount of Rs 96 has to be considered

The more important question to which there is no allusion in the above notes is the quantity of work which the Branch Press has to do & no of hands & requires for doing it. That Convict Labour is not now used is in itself no reason for adding two hands to the Estabt. The Expenditure on the pay of Warders was treated as a Contingent Charge & the present proposal adds to the Expenditure on Estabt proper

† involves additional expenditure in the shape of leave pension charges. If the work requires two more binders – there is already one in the Establ.t – there is no financial objection to the proposal. An enquiry into the details of work done at the Branch Press may perhaps result in some economy or elimination of some unnecessary work or of work not properly to be done there

SIR, With reference to Government Proceedings No. G 5287-9 / G.P. 13-05-24, dated 31st July 1906, sanctioning the employment of Convict labour for the Branch Press at Mysore, I have the honor to state that as per Government Proceedings No. 704-5 / 27-07-14 dated 2nd September last, a rate of two annas per diem for each convict has been ordered to be levied, which amounts to 32 Rs per mensem, and as there is only 14 Rs per mensem provided in the Budget to meet such expenditure, I have requested the Inspector General of Prisons to discontinue the supply of Convict labour to the Branch Press at Mysore. In lieu of the Convict labour now employed at the Branch Press, I request sanction of Government to employ two turners at Rs 7/- each, and to meet this expenditure from the sum of Rs 14/- already provided for the Convict labour.

I would further solicit sanction of Government to include the pay of these two turners

To

K. S. Chandrasekhara Iyer, Esq; B.A., B.L.,
Secretary to Government,
General and Revenue Departments.

SIR,

Adverting to your docket No. G 3811 — G.P.14-08-3, dated 30th ultimo, I have the honor to submit herewith two statements, one showing the details of work executed at the Branch Press at Mysore before the introduction of the convict labour and the other showing work executed after the entertainment of convict labour. I also submit herewith for ready reference a statement of establishment of the Branch Press wherein only 2 Pressmen and one Turner are provided for and it is not possible to

(16)

to work the two hand presses and 3 machines by these 3 men. It is therefore absolutely necessary that extra turners should be employed.

With regard to the question of transfer of some portion of the work of the Branch Press to the Central Press I beg to state that the latter is already overfull, so much so that I was obliged to send some Kannada School books received from the Inspector General of Education for execution at the Branch Press, out of which one of the Kannada works, viz Amarakosa, of which 50,000 copies are required had to be set up at the Branch Press and the matter sent down here for being printed owing to the paucity of hands to work the machines and presses at the Branch Press, which causes a lot of inconvenience.

Under these circumstances the Turners asked for should be sanctioned, or electric motor power provided, if it be at all possible.

I have the honor to be,

Sir,
